Shanks sent a letter to McVicars stating that they have completed the fence warranty work. Eric and Bruce have noticed that the warranty

work isn't complete to their satisfaction. It looks very bad in a lot of spots. Eric has notified Shanks that the fence needs more touch up. Shanks has not been responsive to complete the work or to respond to Eric's phone calls and letters.

**Wolfe Penn home – Yard Maintenance:**

Hearing from last night; Homeowner can't afford to put in yard and may walk away from his house. He isn't willing to install yard at \$8000 if he may walk away from house. He requested that board suspend fines until next April. The board was not agreeable to that. The board wants a yard installed. The home was purchased in Feb. 2008.

Scott made a motion to suspend their fines if homeowner installs a front yard by September 1<sup>st</sup> that is compliant to Rules and Regulations and maintained in accordance with Rules and Regulations. Fines will be re-instated if yard is not installed by September 1<sup>st</sup>. Second by Don. Motion approved by all members present.

**New Business**

Eric feels we should waive fees. Board agrees.
